TRASH DISPOSAL PROCEDURES & REGULATIONS

The following are requirements **which must be met by every townhouse owner, tenant, property manager or rental agency.**

1. Trash routes will begin at 8:00 A.M.
2. The normal trash routes will pick up household waste.
3. Trash must be bagged even though it is put into a can.
4. Do not place loose trash in the trash can.
5. Do not place any trash on the corral floor; all must be in a trash can and lid securely attached.
6. Due to Garland County landfill policy, household trash cannot be mixed with other items such as building materials, special pick up items or yard waste. The sanitation crew cannot take these items.
7. Special pick up items include things such as: wood, furniture, water heaters, grills, metal pieces, etc.
8. Special pick up collection is by request only. **Do not leave special pick up items in communal corrals.** If you have a special pick up request, call the POA Public Works Dept. to schedule it for a nominal fee which is added to your POA Utility Bill; 501-922-5524.
9. DO NOT put liquid paint in trash. If you have **liquid paint, take lid off paint can and mix kitty litter with it until it becomes a solid.** When it becomes a solid, you can take it out to your trash can and sit it beside the trash can with the lid off so the waste haulers can see that it is a solid. It will then be picked up.

Owners, Tenants, Property Managers who use the community trash corral are responsible for disposing their trash in a neat and orderly manner.

REMEMBER: - Loose trash can be strewn around by wildlife which can create an unsightly and unhealthy situation. Always securely attach trash can lid.
